

# Physical Optics Modeling with FRED

## 2017 Registration Form

### Registration Policies:

Each short course session is limited to 7 participants, so please call to verify that space is available. Acceptance of this registration form and payment guarantees your spot in the tutorial, but registration without payment does not guarantee your space.

### Payment & Costs:

Full payment must be made no later than one week prior to attendance. We accept VISA™, MasterCard™, American Express and company checks drawn on a US bank. **We do not accept purchase orders**

The cost of the three (3) day advanced tutorial is \$1,400.

**Attendees should have a rudimentary knowledge of geometrical and physical optics and must be knowledgeable users of FRED Optical Engineering software prior to attending.** Tuition includes a continental breakfast and an afternoon snack.

### Course times and location:

Course times are 9:00 a.m. to 5:30 p.m. daily at the offices of Photon Engineering, 310 S. Williams Blvd #222, Tucson, AZ, (520)733-9557

### Computer requirements:

Laptop, notebook, Windows operating system, 512 MB RAM Minimum, 250 MB hard disk space 800 MHz or faster CPU speed. **Participants must bring their own laptop computers. If you are unable to do so, there is a \$300 computer rental fee.**

### Transportation, accommodations and meals:

Transportation, hotel accommodations, and meal expenses are not included in the course fee. Attendees are responsible for those arrangements. Please call the Courtyard by Marriott at the Tucson Williams Center at (520) 745-6000 or at the TownePlace Suites at the Williams Center (520)747-0720 to make your reservations. Call or e-mail our office for a list of other hotels in the area.

Attendees choosing to stay at the Courtyard will receive a discounted rate if you mention that you are attending a course in the Williams Center. Attendees choosing to stay at the TownePlace Suites need to ask for the neighborhood rate.

### Cancellation:

Cancellation requests made fourteen (14) or more days or prior to the start date are entitled to a full refund or can receive credit toward a **FRED** tutorial to be used within the next six (6) months. Tutorial fees are not refundable if the attendee cancels less than two (2) weeks prior to the tutorial, in which case the fees will be applied as a credit towards the next **FRED** tutorial and a \$200 cancellation fee will be due upon cancellation. We reserve the right to reschedule or cancel a tutorial up to **two weeks** prior to the tutorial for any reason. In the event of a cancellation by Photon Engineering, LLC your entire tutorial fee will be promptly refunded.
